Organization for Refuge, Asylum &
Migration

Unique Challenges for LGBTIQ Refugees in Transit Countries

Lack of Support Network

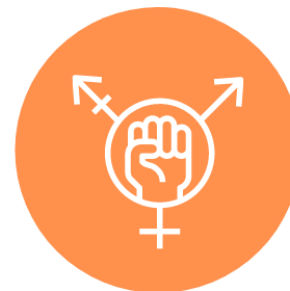

Doubly Marginalized

Difficulties Relating to Employment and Housing

Severe Psychological After Effects

Lack of LGBTIQ Specific Services

Prejudicial Health Care and Lack of Access to HIV Treatment

Challenges Facing LGBTIQ Refugees Throughout the Resettlement Process

Identification Process

The Selection Phase -
Eligibility for Resettlement
(Interview)

Pre-Departure Arrangement
and Cultural Orientation
Sessions

Reception and Placement
(Housing)

Recommendations

- 1) Sensitization Trainings
- 2) Expand Cultural Orientation
- 3) Creating a safe place for LGBTIQ refugees
- 4) Increase resettlement slots
- 5) Broaden the term of family reunification
- 6) Place LGBTIQ Refugees in Larger cities
- 7) Offer psychosocial support
- 8) Countries to develop a comprehensive strategy for the integration of LGBTIQ refugees.
- 9) Need for additional complementary pathways i.e. Sponsorship
